SWIMMING STAFF

CHARLIE HOFFMAN
HEAD COACH
5th YEAR
OVERALL MARYLAND RECORD: 29-18 .620

Charlie Hoffman, Maryland class of '72, is only the second head coach in University of Maryland men's swimming history. He replaced Bill Campbell in 1976 when he retired after 20 years as the Terrapin head coach. Hoffman has continued in the winning tradition established by Campbell by running the consecutive winning seasons record to 23.

Hoffman was a member of four of Campbell's winning teams in addition to competing on the 1969-70 squad which was the last Maryland team to win an Atlantic Coast Conference swimming championship. As a four year letterman, Hoffman specialized in the Breaststroke and Butterfly.

In 1974 Hoffman returned to his alma mater to pursue a Master's Degree in Physical Education and serve as Campbell's assistant coach. In Hoffman's first season, he recorded a 9-4 overall record with upset victories over Eastern champion University of Pittsburgh and Princeton for his first collegiate victory. That same season Hoffman's tankers captured first place honors at the prestigious Penn State Relays. In 1978-79 the Terps recorded a 7-6 overall record along with a suprising second place finish at the Eastern Intercollegiates. Last year Hoffman's team recorded a 6-5 season. In 1977, the Partners of America's sent Coach Hoffman to Rio de Janerio, Brazil to conduct clinics and work with their coaches and swimmers.

An instructor in the Physical Education department. Coach Hoffman teaches Swimming Pool Management and Coaching Swimming. He received his Master's in Physical Education in 1978. Hoffman is a native of Perkasie, Pennsylvania.

STEVE SHINHOLSER
DIVING COACH
1st YEAR

Steve Shinholser enters his first year as the Terrapin Diving Coach replacing seven year coaching veteran Tom Griffiths. Shinholser, a 1980 Maryland graduate, served as co-captain of the 1979-80 Terrapin men's swimming squad.

While at Maryland, Shinholser was the 1978 Eastern diving champion on the One-Meter board and an ACC finalist on both the One and Three Meter boards. Shinholser was also

STEVE SHINHOLSER (Cont.)

a 1978 Penn State Relays champion on the One and Three Meter boards. After being redshirted with a knee injury during the 1978-79 season, Shinholser became a 1980 NCAA qualifier on both boards.

Shinholser should experience a successful debut as Terp Diving coach, with all five top divers returning from last year's women's team and three excellent divers on the men squad.

RICK DUSCHL
ASSISTANT COACH
3rd YEAR

Rick Duschl returns to Maryland for his third season as a assistant coach for the Terrapins. Duschl is a graduate assistant in the Education Department working on his PHD A 1973 University of Maryland graduate, Duschl was a teammate of Head Coach Charlie Hoffman on the 1969-70 ACC championship team which was the last Maryland team to win the conference title.

JOE HANNAH
ASSISTANT COACH
2nd YEAR

Joe Hannah enters his second season with the Terrapins after serving his first season as Lisa Papa's assistant on the women's team. Swam in 1973-77 at St. Lawrence University and Allegheny College. Earned his B.A. in Political Science from Allegheny College in 1977. Received his Master's at S.M.U. in 1979, where he was also a assistant coach. Hannah has begun his work towards his Ph.D. in Exercise Physiology at Maryland.

PAT MURTAGH
ASSISTANT COACH
1st YEAR

Murtagh, the school record holder in the 100 and 200 Butterfly and member of 400 Medley Relay and 800 Freestyle Relay teams, enters into his first season as a Terrapin assistant coach. Murtagh last season was the Eastern Intercollegiate champion and NCAA qualifier in the 200 Butterfly. Murtagh this year is completing work on his B.S. in Agricultural Engineering.

SUZANNE O'HARA
1st YEAR

Competed on the women's swimming team under Coach Lisa Papa, swimming in the Breast and Individual Medley events. Main responsibilities will be with the women's team.

1980-81 UNIVERSITY OF MARYLAND MEN'S SWIMMING

AREA CODE (301)
864-4076 or 454-2123

The 1980-81 University of Maryland Men's Swimming team will be looking to improve upon last year's 6-5 dual meet record and 6th place finish at the ACC Championships and 4th place finish at the Eastern Intercollegiate Championships. Losing six seniors to graduation, the Terps will have a very inexperienced but competitive squad which will include ten freshmen recruits.

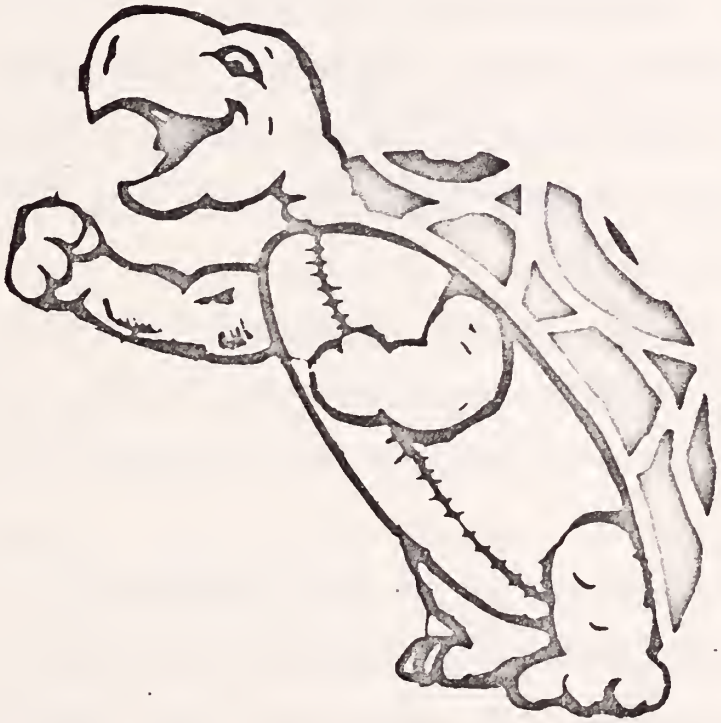
Coach Charlie Hoffman, who is entering into his 5th season as the Terrapin mentor, will have nine lettermen returning to this year's squad. Once again, the Terrapins will be led by senior George Carpouzis, who holds all of the Maryland Distance Freestyle reco Carpouzis re-set his own Maryland records in the 500 and 1650 Freestyle events at last year's ACC Championships with times of 4:33.37 and 15:55.90 respectively.

Sophomore Kirk Sanocki will anchor the Breaststroke events for the Terrapins this season. Sanocki, a former high school All-American established new Maryland school records in the 100 Breaststroke (:59.40) and the 200 Breaststroke (2:08.20) at the Eastern Inter-Collegiate Championships. Sanocki also turned in an outstanding 1:57.04 in the 200 Individual Medley at the Eastern's last season. Junior Bill Bartle last year swam in the Individual Medley events , where he holds the Maryland school records in the 200 Individual Medley (1:56.67) and the 400 Individual Medley (4:08.50). Bartle this season will be competing in the 100-200 Freestyle and Butterfly. Bartle also owns the school record in the 200 Backstroke (1:57.69) and is the former school record holder in the 100 Backstroke (54:63) until Karsner established the new school record last season. Other outstanding returning lettermen are seniors John Cunningham and Greg Blasic in the 50-100 Freestyle events while senior R.J. Schlecht and sophomore Mike Alderson return in the 100-200 Butterfly events for the Terrapins. Senior Willie Kaarid and

sophomore Roger Masse will supply ample depth and experience in the One Meter and Three Meter Diving events, to offset the graduation loss of Steve Shinholser who is beginning his first season as the Head Diving Coach.

The outstanding freshmen recruits include High School All-American Robert Neuendorf (100-200 Backstroke and 200 Freestyle), Jim Wenhold (100-200 Backstroke and 100-200 Freestyle) and Dave Welsh (500-600-1650 Freestyle). Once again Coach Hoffman will have another outstanding Canadian freshman recruit in Mark Gillies, who will swim all of the Distance Freestyle events. Other outstanding freshmen recruits are Steve Goldhirsh (100-200 Butterfly), Drew Desjardins (100-200 Backstroke and 200 Freestyle) and George Schmieler in the Distance Freestyle events.

The Maryland Swimming team must contend with a very competitive dual meet schedule which includes ACC powers N.C. State and North Carolina and non-conference powers West Virginia, Penn State and Johns Hopkins.



CLASS OF 1981

GREG BLASIC - Three-time ACC finalist in the 50 Freestyle - 1978 Eastern 50 Freestyle champion - Will swim in all of the sprint Freestyle events - Attended Good Counsel H.S. and led his team to the Metro Conference title in 1976 - Blasic is a three year letterman for the Terps who is majoring in Civil Engineering.

GEORGE CARPOUZIS - Three year letterman who holds all of the school's distance Freestyle records - Co-captain of the 1980-81 swimming squad along with John Cunningham - Holds the school records in the 1650,1000 and 500 Freestyle and also a member of the 800 Freestyle relay team which established a school record last season - Competed for his native country Greece in the 1976 Olympic Games in Montreal - Competed in the World University Games in Mexico City in 1979 and Mediterranean Games in 1975.

JOHN CUNNINGHAM - Three year letterman who is co-captain this season along with George Carpouzis - Will swim in the sprint Freestyle events - Member of 400 Freestyle and 400 Medley relay teams that hold school records - ACC finalist the past three seasons in the sprint Freestyle events

R.J. SCHLECHT - Three year letterman who will specialize in the Butterfly events - Last season he also swam in Individual Medley and distance Freestyle events - ACC and Eastern finalist in the 400 Individual Medley his first two seasons - H.S. All-American at North Penn where his brother, Rich, and teammate Bill Bartle led North Penn to Pennsylvania State Championships in 1975 and 1976.

WILLIE KAARID - An ACC finalist on the 1 & 3 Meter boards the past three seasons - Attended Sweet Home H.S. in New York where he captained his team to a state championship in 1977 - Also lettered in Volleyball and Track as a Pole Vaulter in H.S..

1980-81 UNIVERSITY OF MARYLAND WOMEN'S SWIMMING

As Coach Charlie Hoffman enters his first season at the helm of Maryland women's swimming, he is faced with an experienced team that promises to be in contention for the conference title and EAIAW Regional title. With 17 women returning from last year's 7-3 squad coached by Lisa Papa, the stage is set to improve the Terps' sixth place finis at the 1980 EAIAW Regionals.

Leading the strong list of returning swimmers for Hoffman are sophomores Kathy Smith and Barbara Schmidt. Smith was the top Terp frestylist last year, when she placed third overall in the EAIAW Championships as a freshman by winning both the 50 and 500 yard freestyle and placing second in the 100 and 200 yard freestyle. Smith also was responsible for setting six new individual Maryland records and four relay team records. Six of her record breaking times took place in Cole Field House and are current pool records. Smith competed in the AIAW Nationals last spring and swam in the 50,100 and 200 Freestyle events. Schmidt was Maryland's top individual medalist last season, settin three individual school records while also swimming on four record setting relays. In th 1980 EAIAW Regional, Schmidt placed in three events, and was the anchor on Maryland's record breaking 400 Medley Relay team. Other top returners for the Terps should be senic Judy Dwyer, junior Donna Tricarico and sophomore Cindy Stillwell, all of whom swam on record breaking relay teams. First year Diving coach Steve Shinholser should also be fac with bright prospects, with all five experienced divers returning. Leading the group wil be senior Kelly Ciabaton, with juniors Hope Cullen, Melanie Gillett and Casey Warner and sophomore Sue Wigetman providing excellent depth and experience in the 1 & 3 Meter Divir events.

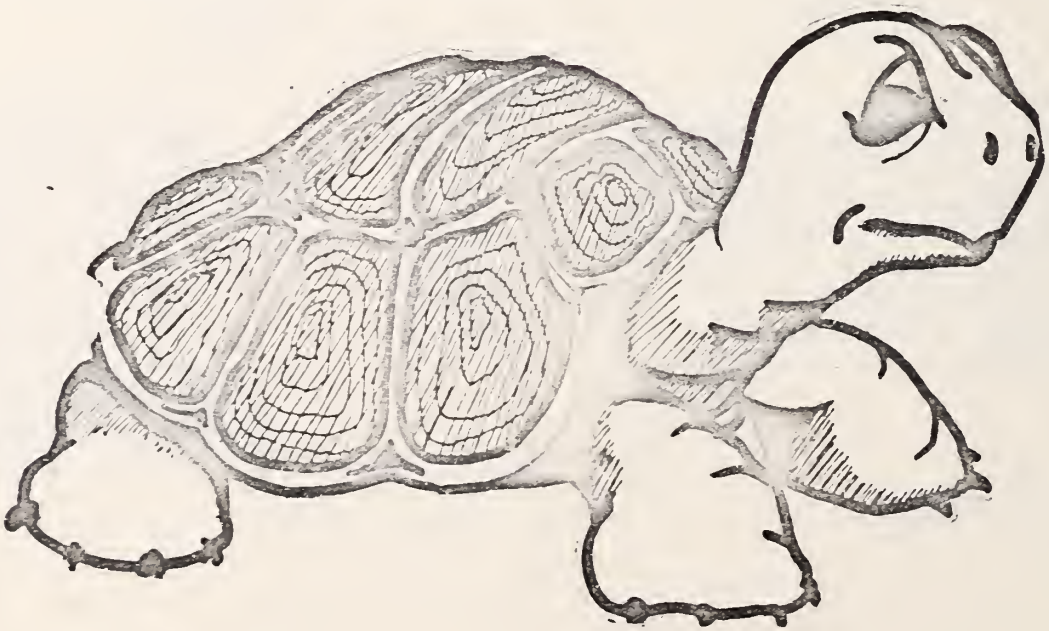
MARYLAND'S OVERALL RECORD: 44-31, 7 years



THE UNIVERSITY OF MARYLAND

The University of Maryland was founded in 1807 in Baltimore as the College of Medicine, a faculty-owned institution granting the M.D. degree. It was the nation's 5th medical school.

Its name was changed five years later to the University of Maryland, and it was given power to confer additional degrees. The Baltimore College of Dental Surgery, the country's first dental school, became part of the University in 1840.

In 1856, at the prompting of a group of Maryland people, the state endowed a second institution, the Maryland Agricultural College, at College Park. A fire resulted in considerable damage to the College in 1912, and the state rebuilt it and took control of it. In 1920, the state took over the faculty-owned University of Baltimore and merged it with the state-owned institution at College Park to form what is now the University of Maryland.

Today, the University of Maryland, a Georgian Colonial campus, has nearly 200 buildings across a 1300-acre setting. The campus has its own daily newspaper, its own police department, an 18-hole golf course, hotel, stores, movie house, theatre, art gallery, pub, bowling alley, tennis courts and swimming pools.

The University offers 125 majors and 15 pre-professional programs, in addition to an Honors Program. There are, as well, 81 graduate programs. The University is one of 51 members of the Association of American Universities. It is the 7th largest university in the country, and with a teacher-staff of over 6,000, its student-teacher ratio is 16-1. An undergraduate or graduate student receives a full commitment from the University, and the Athletic Department provides a full-time advisor for personal and vocational counseling for student-athletes.

The student interested in being admitted to the University is required to submit a transcript from an accredited secondary school and SAT results. The University offers financial aid in the form of grants-in-aid, scholarships. loans and work study awards. Over 14 million dollars in student aid was distributed among 11,000 students during the 1979-80 school year.

Although admission to the University does not guarantee housing accommodations because of increased housing demands, housing can be obtained from on-campus residence halls, off-campus housing, or fraternity and sorority housing.

Any student attending the University would enjoy a location which is the best of any college in the country. Right outside of Washington, D.C. and 35 minutes from Baltimore, the University is situated in the middle of a rich area of resources and intellectual talent. Nine miles away in the nation's capital, the Library of Congress, the Shakespeare Library, and the National Libraries of Medicine and Agriculture avail the student of the country's best research facilities. The famous Kennedy Center is an example of the kind of cultural opportunity and entertainment offered by this major metropolitan area.

To the North, Baltimore includes such attractions as the Constellation, the first ship of the U.S. Navy, Fort McHenry, home of the "Star Spangled Banner," and the huge Lexington Market. It is a center of ethnic fare and cultural life, and has a downtown area that has become one of the envies of the east coast.

In addition, a short drive from the University lies Annapolis with its numerous attractions and interests, and Maryland's beach resorts are a 3½ hour drive away.

ACADEMIC ENVIRONMENT

The University of Maryland is a member of the American Universities and Colleges which selects the top fifty university systems in the country. It is currently the seventh largest university in the nation -- and, with such size, come quality. This means better facilities, not only in the day-to-day classroom, but also in the research and faculty staff. Our teacher staff consists of over 6,000 personnel -- which brings our student/professor ratio down to 16-1. This allows us to offer a degree in a variety of fields (122) on the undergraduate level, as well as on the graduate level (58 graduate programs, 53 doctoral programs.) With such great flexibility in the curriculum, you also have a flexibility in your desired course of study which you may not enjoy at many other schools.

Not only is your education at the University of Maryland highly flexible, but it is also one of high quality, developed with many years of experience. Our school for Dentistry is the finest dental school in the world; the School of Pharmacy is the third oldest in the nation; and the College of Agriculture is the third oldest in the Western Hemisphere. The University of Maryland is rich in experience and history, but also has its eye to the future in all fields. The Laser Ranging Retro Reflector experiment placed on the moon by the Apollo II astronauts was developed by a group of scientists headed by a University of Maryland professor. Recently our College of Education won the "Distinguished Achievement Award for Excellence in Teacher Education." This award is given each year to only one university. This campus also has the world's largest sectored isochronous Cyclotron which is available to students.

In many respects the College Park campus is a city of young people with all the advantages, excitement and problems of a community. While the focus of the campus community is on its academic and intellectual activities, the campus has its own daily newspaper, its own police department, an 18 hole golf course, hotel, stores, movie house, theatre, art gallery, pub, bowling alley, tennis courts and swimming pools. It is a Georgian-Colonial campus with nearly 200 buildings spaced across a rolling 1300 acre park-like setting.

The facilities, faculty, history, and flexibility are not our only strengths. The University of Maryland is totally committed to to the individual student, regardless of whether he or she is a freshman or a candidate for a Ph.D. A full-time advisor is provided by our Athletic Department for personal and vocational counseling for student athletes.

We, at the University of Maryland, are extremely proud of our academic programs and will continue to live up to the outstanding academic record we have set.
